REQUEST FOR TREE REMOVAL ON MAIN STREET A copy of the RFD regarding a request to remove the tree in front of a building that is being renovated is hereto attached and forms a part of the minutes.

Council discussed the various concerns brought forth by the contractor, as well as the view from other Main Street businesses and residents. After deliberation, a consensus was reached.

091.06.13.18 **MOVED** by Clr. Krys that the tree in front of the Vision Credit Union is to remain where it stands and will not be removed, however the tree will be trimmed as much as is possible (without causing intentional harm) to aide Contractor access to continue their renovations;

Additionally, if the tree is intentionally removed, replacement of the tree will be at the expense of the business.

CARRIED

It is the recommendation of Council that the trees on Main Street be trimmed annually to ensure they remain manicured and will not cause damage to building frontages. In addition, Administration will research the costs associated with training to trim the trees properly, versus hiring a professional service, for future reference and budgeting purposes.
