

MEMORIAL TREE PROGRAM

All Applicants for the Memorial Tree Program must fill out the Memorial Tree Application Form and submit it to the Killam Town Office. Late Spring planting is preferred, but Fall planting is an optional, dependent on when the tree order is placed. Full payment must be received prior to the ordering and placement of the tree.

There are three (3) different tree varieties to choose from – with either 50mm or 60mm trunk size, for varying costs. The species are as follows:

Schubert Chokecherry

Pink blossoms

Prairie Spire Green Ash

Non-flowering

Snowbird Hawthorn

White blossoms

Planting locations will be based on the compatibility of the soil conditions and the variety of tree, but efforts will be made to have the tree placed in the area the Applicant chooses along Killam's walking trails, parks, playgrounds or cemetery.

The Town of Killam will order, deliver, plant and maintain the tree, to the best of their ability, to help it become established (ie: watering during the first year of it's planting). Should the tree die due to natural causes (winter kill, pests, drowning or drought) or vandalism, the Town will not be accountable for its replacement.

The Town of Killam will provide a plaque (3" x 3") recognizing the person, family or event that the tribute is for, and the post to mount it near the base of the tree. Town ordered plaques or post replacement will be the responsibility of the Town for the lifetime of the tree.

**Customized plaques can be used, but approval from Town of Killam Administration is required prior to its installation. Plaques purchased independently will be the ownness of the Applicant for maintenance and upkeep.*

MEMORIAL/TRIBUTE APPLICATION – TREE PROGRAM 2025

Name: _____

Phone #: _____

Email Address _____

Mailing Address: _____

Application Date: _____

Select the variety and size of tree:
