

Town of Killam Cemetery

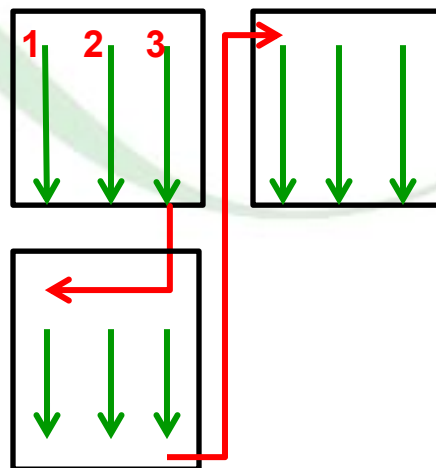

This list is sorted according to Catholic and Protestant Plots then alphabetically by last name

How to read this list:

1. Find the respective section your loved one is in (i.e. Catholic or Protestant)
2. Find their last name in alphabetical order (caution: some women may be first referred to by their maiden name OR their married name)
3. Refer to the number to the left of their name (for example: 1-2C Smith, John, or 1-2/3 Smith, Mary)
4. Refer to the map above to find their respective location.
 - "1-2C" means that John Smith is in the Catholic section in Plot 1 Grave 2
 - "1-2/3" (no "C") means that Mary Smith is in the Protestant section in Plot 1 between Grave 2 & 3
 - U.M. means "un-marked"

Please be aware that some people on the list will have an unmarked grave.

Please contact the Town Office with any questions, issues or discrepancies
